

The **Tropical Conservation and Development Student Group** invites you to join us for the **2014 Conservation and Development Forum**

# Networking between the Southern Cone and the Tropics in Latin America: Opportunities and Challenges

*A workshop led by the Southern Cone Working Group*

**When: Friday, February 7th  
2:00 - 3:30 pm**

**Where: International Center  
HUB #145, Stadium Road**

**The goal of this workshop is to discuss potential collaborative networks in Latin America that bridge the Southern Cone and the Tropics.**
